Sage Facts

Mission

A private, independent school serving the needs of academically gifted children ages 4 to 14

History

Founded in 1990. Accredited by the Association of Independent Schools in New England. Member of National Association of Independent Schools, Massachusetts Association for Gifted Education, Rhode Island Advocates for Gifted Education, and the National Association for Gifted Children.

Performance

- Eighth grade students score in the 90th percentile on the Secondary School Admission Test
- Most of our students who participate in the Johns Hopkins University Center for Talented Youth tests receive state recognition with high honors

Achievement

Our students attend some of the finest secondary schools in the surrounding states.

Noteworthy

- The Math Club continually places in the top three of 200 schools in the New England Math League
- In the MathCounts competition, The Sage School has placed first and second – out of 28 to 30 schools – in the last two years
- In the National Math Olympiad, of 2000 participants, a Sage student received one of only 37 perfect scores
- A Chess Club team member is a member of the United States Chess Federation All-American Team
- The Chess Club has repeatedly won first place in the Hurvitz Cup State Team Championship
- Sage students pursue a variety of interests in and out of school, including: sports, theater, dance, and music
- As part of their curriculum, Sage middle school students travel nationally and internationally to broaden their understanding of different cultures
- All students participate in various community service projects

Financial Aid Facts

Thirteen percent of Sage students receive financial aid. Only 85% of the total cost of a Sage education is covered by tuition. **Each year, there are qualified students who are not able to attend because we are not able to meet their financial aid needs.**
